THE BRAND THAT CHANGES YOUR VIEW

ABOUT US;

A.V.A.S .- Ozotosan Mirror Company is a worldwide leader in supplying mirror solutions to its customers. With more than 40 years of experience in the field, A.V.A.S offers high quality products to OEM and aftermarket consumers internationally by having TSE - IATF 16949 / ISO 9001 & EEC/ ECE Homologation certificates.

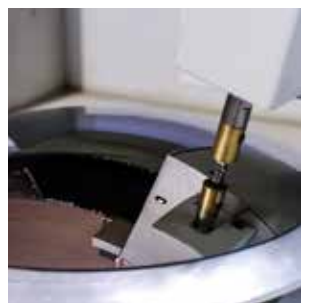

Utilizing fully automated manufacturing systems with computerized technology, our company offers complete rear view mirrors and its related parts for all commercial vehicles such as trucks, busses, LCVs, agricultural and construction vehicles. Our flexible manufacturing system combined with our expertise in mirror glass manufacturing allows our chrome coated mirror glasses to be any size and curvature.

With new investments to the latest machine technology; our production capacity is 6.000.000 pcs in total for rear view mirrors and its sub-components.

Our products have E6 - E8 - E9 type approval homologations certificates according to ECE Regulation 46 for below mirror classes;

- Class II Main Mirror R1200 /R1800
- Class III Main Mirror R1200 /R1800
- Class IV Wide Angle Mirror R450 /R600 /R300
- Class V Close Proximity Mirror R450 /R300
- Class VI Front Vision Mirror R300 /R220

We always aim improving customer satisfaction of our growing market by offering appropriate and accurate products created by professional and customer oriented employees.
